

TEN

"Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.' All the Law and the Prophets hang on these two commandments."

—Matthew 22:37-40

1. There is a God and it's not you.

You know He's #1.

2. Nothing can take His place.

Worship God, not anything else.

3. What's in a name?

Would you use your name in a negative context? Then why use God's?

4. Hang out with God: The pause that refreshes

God took a day to rest. So should you. Dedicate a day to God.

5. Respect your parents

You know the phrase, "mother knows best?" It's true for both Mom & Dad.

6. Heal those who have been harmed

Don't waste your time with hate. Love.

7. Love one another faithfully

Love is patient. Love is kind. The love you have with your spouse is sacred.

8. Give more to the world than you take

Don't take what isn't yours. Live to serve.

9. Value the dignity of truth

The truth will set you free. There's a reason it's an axiom.

10. Be content with the necessities of life

Enjoy what you have, not what you don't.
